Alcohol Test Personal Use Device

Lifeloc Lifeguard™ Personal Use Breath Alcohol Tester (Not for DOT Testing Use)

The LifeGuard breath alcohol tester is a high quality device to help you manage your Blood Alcohol Content (BAC). The LifeGuard breathalyzer uses the same fuel cell technology as Law Enforcement instruments. Lifeguard combines precision fuel cell technology, ease of use and reliability into a consumer breathalyzer that stands above all others in personal use and in testing those you care about. The LifeGuard comes complete with a permanent (fold-away) mouthpiece, 10 disposable (slip-on) mouthpieces, 9V battery, wrist strap, hard carry case, nylon carry pouch, operations manual, and one year warranty.
