Alpha Protection Solutions, LLC offers the **AlphaClean™ Hand Hygiene System** which tracks hand washing and generates **AlphaClean™ Compliance Management Reports** helpful for **JCAHO** and other health and safety inspections. The **AlphaClean™ System** includes an **AlphaClean™ Touch-Free Soap Dispenser with LCD Display and Memory**, an **AlphaClean™ Touch-Free Faucet Sensor**, and an **AlphaClean™ Portable Data Logger**. The **AlphaClean™ Hand Washing System** is suitable for customer use in public rest rooms and waiting areas.

APSLLC also sells **AlphaClean™ Hand Sanitizer Gels** for use in wall-mounted **AlphaClean™ Touch-Free Dispensers** or in **AlphaClean™ Heavy-Duty Dispenser Stands** (customized Greeter Sign available) for waiting rooms, foyers, etc.

APSLLC also offers the **AlphaClean™ Site Certification Compliance Package** which includes **AlphaClean™ WEB Training and Employee Hand Wash Compliance Reporting**. The **AlphaClean™ Management Reports** enable you to track employee usage and cite non-compliant departments as needed.

You will want your company to be an **AlphaClean™ Certified Site** and to proudly display **AlphaClean™** stickers on your foyer entry doors and in your waiting rooms demonstrating your support of good hand hygiene practices and overall site cleanliness.

As your company strives to lead in the fight against infectious diseases, you will want to purchase **AlphaClean™ Soap and Sanitizer Gels**. Mobile technicians use **AlphaClean™ Hand Sanitizer Gel** prior to and after each patient contact.

To view **Video and PowerPoint** presentations about **AlphaClean™ Hand Hygiene Systems**, go to the www.alphaprosolutions.com website homepage.

APSLLC can demonstrate the **AlphaClean™ Hand Hygiene Compliance System** at your facility by appointment. Please call us at **800-277-1997** or email alphaclean@alphaprosolutions.com
